A photograph of the Millrace entrance of the Knight Campus. The image shows a modern, multi-story building with a glass and metal facade. A walkway with a dark metal railing runs along a stream on the right. A person is running on the walkway in the foreground, and another person is sitting on a set of stairs leading up to the building entrance. The building has a large glass canopy over the entrance area. The text "KNIGHT CAMPUS" is visible on the building's facade. The scene is set in a lush, green environment with trees and a stream.
